E-bike Tour to discovering Rimini (MONDAY MORNING)

The e-bike tour to discover Rimini represents an alternative time to get to know the city while having fun together. We will depart from Piazzale del Porto, Riccione (viale Galli, next to the Nautical Club) and we will cycle along the bike path until we reach the splendid Punta del Porto of Rimini. We will take the ferry that will take us to the beach of San Giuliano Mare.

We'll visit the Fellini village of San Giuliano, to discover the murals in the streets and we will talk about Federico Fellini himself. We will cycle along the Marecchia park to the Piazza sull'Acqua in front of the Tiberius bridge.

We will visit the historical center of Rimini and all the monuments, squares and points of interest of the city: the Amphitheater, the Malatesta temple, the Vecchia Pescheria, the Domus del Chirurgo, the Museo, the Castel Sismondo, the Galli theater and the Fulgor cinema, up to the Arch of Augustus. We will continue with the bike path along the Cervi Park, up to the Palacongressi and the Park up front.

We will return to the sea up to the Grand Hotel, with a brief visit to the gardens and the 4 horses fountain.

32 km - simple flat route - about 3 hours and a half - FOR EVERYONE Cost € 40

Piadina Tour Piadina Making Class in Morciano (TUESDAY AFTERNOON)

We will leave from Porto Verde, where we will take the beautiful Val Conca cycle path. We'll cycle along the wildlife oasis until reaching the historic center of Morciano where we'll make a workshop to learn the making of the piadina romagnola. Afterwards there will be a nice tasting of home-made piadina romagnola!

34 km - simple flat route - duration about 4 hours - FOR EVERYONE Cost € 65

Montefiore, Mondaino and Saludecio (WEDNESDAY MORNING)

We will leave from the Arabian Valley Stud equestrian center in Morciano (directions here), a beautiful ten estate hectares directly overlooking the splendid Valconca area. We will cycle towards Montefiore, where we will visit the Rocca, then following Mondaino and Saludecio. At the end of the tour we will return to the equestrian center clubhouse where we will have a good tasting of wine and typical products in the midst of nature and animals.

30 km - challenging course - duration about 4 hours Cost € 60

EBIKE TOUR EXPERIENCE

Natural Park of San Bartolo (THURSDAY MORNING)

We will depart from PortoVerde, heading for Gabicce Monte. We will stop at Baia Vallugola to get coffee or have a snack (not included in the price), then we will continue to Castel Di Mezzo and Fiorenzuola di Focara, where we will have a good lunch made of piada and fish skewers and local wine.

45 km - average route - duration about 5 hours Cost € 60

Wine taste – Tasting at Ottaviani (FRIDAY MORNING)

We will depart from the square of the port of Riccione (viale Galli, next to the Nautical Club) and we will pedal along the cycle path until reaching Porto Verde, from where we will take the beautiful Conca cycle path.

Immersed in the Valconca wildlife oasis, we will stop for a tasting at a farm: we will make a visit to discover the magic of wine and the beauty of the vineyard, a walk among the rows to get to know the company's philosophy. Finally there will be a tasting of 4 wines, 2 white and 2 red, to taste the taste of our land.

**32 km - simple flat route - about 4 and a half hours - FOR EVERYONE
Cost € 60 STARTING FROM JUNE**

E-bike Tour in Verucchio – Departure from Rimini (THURSDAY MORNING)

With our e-bikes we will climb the ascent to the fortress of Verucchio without difficulty, at first there will be a bit of culture, and then the culinary excellence typical of our lands. The e-bike tour in Verucchio is a fantastic adventure in the midst of nature that will lead you to discover one of the most beautiful villages of our Romagna hinterland. We will leave from the lighthouse of the Port of Rimini and we will travel all along the cycle path up to Verucchio. For the more experienced who want to enjoy the adrenaline of the off- road, we'll do an alternative mountain bike route in the vineyards and hills of Romagna, a unique experience in its kind.

We will visit the Franciscan monastery where we will be able to observe, inside the evocative cloister, the historical 800-year-old cypress planted by St. Francis in 1213. The tree is an imposing and historic attraction, with its 25 meters of height and 7 of width. We will climb up to the fortress of Verucchio where a guide will tell the story of the village. From the terrace of the fortress you can enjoy a wonderful view. Afterwards there will be a guided tour of the Villanovan archaeological museum, a pearl of unique culture in his genre and an unmissable cultural destination. To top it off, a tasting inside of the Verucchio amphitheater, where the group will be able to taste our culinary excellence: bread and Malatesta cheese, Fossa di Perticara and Mustard cheese, Olio Nostrano, Veruccese wine, water and fruit!

55 km - intermediate difficulty route - duration 5 hours Cost € 65

EBIKE TOUR EXPERIENCE

E-bike Tour in Santarcangelo – Departure from Rimini (WEDNESDAY MORNING)

A journey to discover the cultural tradition of a beautiful medieval village characterized by charming streets, historic buildings and very colorful and characteristic houses. We will leave from the square of Valverde towards Santarcangelo di Romagna. We'll visit the ancient Stamperia Marchi, where we'll see the demonstration of the activity of ironing of the canvas with the seventeenth century Mangano and the printing phase with antique molds carved in pear wood.

Afterwards there will be a guided tour in the monumental public cave: led through by tunnels and rooms in one sort of labyrinth, projected into a distant time. We will continue the tour with a delicious tasting of: olive oil Crostini, cold cuts board and cheese platter, 4 matching wines and traditional desserts at the Hill of Poets.

Before returning to Rimini, stop at Mutonia, a tourist park along the Marecchia river; place in which the Mutoids live, artists from all over the world, united by the philosophy of creating unique works reusing inorganic waste such as iron, plastic, rubber, fiberglass, aluminum, copper and brass.

43 km - intermediate difficulty route - duration 5 hours

Cost € 65

E-bike tour in San Leo – Departure from Rimini (FRIDAY)

With our e-bikes we'll arrive at the beautiful and ancient fortress of San Leo for a full day tour that will show all the beauties of the ancient fortress and will allow you to enjoy a real lunch with the typical local products. We will leave from the lighthouse of the Port of Rimini and travel the whole bike path up to Verucchio, to then go up again towards San Leo. Thanks to a local tour guide we will make a real visit to the imposing Fortress, which seems to be an extension of the supporting rock. Inside there are exhibits of weapons, armors, the military life of the Middle Ages, Cagliostro the alchemist and much more.

We will visit the Pieve, the most ancient religious monument of Montefeltro; the Cathedral, the Bell Tower, an exciting lookout point over San Leo and the surrounding valleys from down the sea up to the mountains. We will have lunch in a typical tavern where we will taste a good menu of local products accompanied by good wine: appetizer, first course, second course, side dish, dessert and coffee.

Return to Rimini in the afternoon with all the calm in the world.
